Dear Ms. Roe:

On behalf of KIM-Z, INC. (KIM-Z), I recently transmitted the subject registration application to you. In filing away, the documents I discovered that the subject label was missing some critical label language. This is corrected with the revised label here.

The registration application request contains the following enclosed materials:

- Application for Pesticide Registration (EPA Form 8750-1)
- Proposed label
 - 95961-0000R.2020041.Bella proposed label.pdf

If you have any question in regard to this matter, feel free to contact me at (609) 841-8288 or JWrightCH@comcast.net.

Sincerely,

John F. Wright
